22 The undersigned defendant, having been advised of his rights to be present at all stages

by the presence of his attorney, the same as if the defendant was personally present in court.

Defendant further agrees that notice to defendant's attorney that defendant's presence in
court on a particular day at a particular time is required, shall be deemed notice to defendant of
said requirement for his appearance at said time and place.

Defendant expressly warrants by signing this document that he does not live in the city of Bakersfield and it would be a financial hardship for him to be present for each hearing and in the interests of justice requests that his presence not be required.
